Mr Wm. B. McKechnie Jr.
25 Montgomery St.
Trenton N.J.

Dear Sir:

I have been trying all day to get you on the phone. As I have been unable to do so up to now, I have gone ahead on the strength of your letter to me, and arranged a game at Dunn Field for Tuesday night May 29th, between The Newark Eagles and The Wash. Homestead Grays. I was able to get hold of The Grays, and they will be on their way to New York, and we will be on our way to Phila. and as a result we will be able to meet in Trenton that night.

The Grays are our biggest attraction, having been the champions for many years, so I thought we had better take them at the first opportunity. This does not give us much time for publicity, and we depend a lot on window cards for advertising. This is one reason I went ahead before talking to you. The cards have to be printed and distributed.

You spoke of assisting with publicity. This would be a real help. Will you let me know what you want me to send you etc.

The terms as quoted in your letter are satisfactory. We have always used your help. Mr Spair knows how many we need. Please arrange to have them work for us.

If we do any good I am sure we will be able to bring the other teams to Trenton during the season. Thank you for your cooperation. Please send me confirmation of the date.

Very Truly Yours
